DATE August 15, 2011   COMMITTEE Public Works

A Resolution authorizing the County Executive to advertise for bids for materials to construct a portable cold storage equipment building, located at 538 East South Street in the City of Akron, Council District 4, in an amount not to exceed $75,000.00, for the Engineer and declaring an emergency.

WHEREAS, the County Engineer's South Street facility is in immediate need of additional equipment storage of approximately 7,200 square feet; and

WHEREAS, a portable cold storage equipment building, approximately 100 feet long and 72 feet wide with a clear height of 28-30 feet would be an economical means of providing for said equipment storage capacity; and

WHEREAS, a copy of the bid specifications for materials of said structure is attached as Exhibit A hereto and are on file at the Engineer's South Street office; and

WHEREAS, the Engineer estimates the total cost of materials for said structure to be in an amount not to exceed $75,000.00;
