

**AGREEMENT CONCERNING INTERPRETATION OF THE
CORPORATE BOUNDARY LINE BETWEEN THE CITY OF
TWINSBURG AND THE TOWNSHIP OF TWINSBURG**

Whereas, a petition for annexation of 81.7150 acres of land located in Twinsburg Township to be transferred into the incorporated City of Twinsburg was filed with the Clerk of the Summit County Council on January 22, 1997, and

Whereas, pursuant to Summit County Council Ordinance 97-245, on May 20, 1997, and after compliance with all legal requirements, the County of Summit duly approved the aforesaid annexation, a certified copy of Ordinance 97-245 is attached hereto as Exhibit A, and

Whereas, in accordance with the requirements contained in Section 709.031 of the Ohio Revised Code, the annexation petition contained an accurate legal description of the property which was the subject of the annexation and which legal description was reviewed and approved by the Office of the Summit County Engineer, a copy of the approved legal description is attached hereto as Exhibit B, and

Whereas, the northerly boundary of the annexation, as set forth in the attached legal description, states: "being also the northerly line of a parcel of land conveyed to Robert D. Abram, etal. by deed recorded in Volume 6986, Page 241 of Summit County Records..." and

Whereas, pursuant to Twinsburg City Ordinance 138-1997, and as required by Section 709.04 of the Ohio Revised Code, on October 15, 1997, the City accepted the territory proposed in the annexation petition by approving and annexing the territory into its municipal corporation, a certified copy of Twinsburg City Ordinance 138-1997 is attached hereto as Exhibit C, and

Whereas, all of the above referenced documents (ordinances, legal descriptions, etc) as well as other supporting documents were duly filed on November 4, 1997, with the Summit County Fiscal Office at Reception No. 54074048, and

Whereas, pursuant to Section III of Twinsburg City Ordinance 138-1997, the annexed property was zoned Residential (R-3), and

Whereas, the owner of the property annexed thereafter filed a Subdivision Dedication Plat titled "Abrams Farm, Phase I" with the Summit County Fiscal Office on April 18, 2000, in Reception No. 54412659, said plat showing the property/parcel lines and concurrent corporate boundary line as set forth on the legal description in the annexation petition approved in 1997, a true and accurate copy of said plat is attached hereto as Exhibit D, and

Whereas, the owners of the property commonly known as “Abrams Farm Phase I” had said property subject to further engineering survey which survey and consequent plat depicted the widening of Liberty Road, a dedicated public thoroughfare, as well as the inclusion and depiction of certain additional easements and said survey, for other reasons which are presently unknown, injected some ambiguity concerning the boundary line between the owners of the Abrams Farm, Phase I parcel and the adjacent property to the north of the Abrams Farm parcel, said Dedication Plat was duly filed with the Summit County Fiscal Office on October 5, 2000, at Reception No. 54470793, a true and accurate copy of said plat is attached hereto as Exhibit E, and

Whereas, pursuant to Section 5301.21 of the Ohio Revised Code, the owners of the Abrams Farm parcel and the adjoining property owners reached an agreement to resolve and remove any ambiguity concerning the legal boundary line between their respective parcels and re-recorded the Abrams Farm Phase I plat to evidence and record a boundary line agreement which was duly filed with the Summit County Fiscal Office on June 26, 2001, at Reception No. 54562634, a true and accurate copy of said plat is attached hereto as Exhibit F, and

Whereas, the above-mentioned boundary dispute resolution between the respective owners established an unambiguous and definitive parcel line between the Abrams Farm Subdivision, Phase I and the adjoining property to the north, and

Whereas, on October 17, 2012, the owners of the property to the north of the Abrams Farm Subdivision, Phase I filed a Preliminary Development Plan pursuant to Section 1103.07 of the Codified Ordinances of the County of Summit with the Summit County Planning Commission requesting approval to develop the property as a major subdivision with the aforesaid Preliminary Plan being titled “Steffan Woods Subdivision”, and

Whereas, on November 15, 2012, the Summit County Planning Commission granted conditional approval of the Steffan Woods Subdivision plan, a copy of the conditionally approved Preliminary Plan is attached hereto as Exhibit G, and

Whereas, the property owner of the Steffan Woods Subdivision has requested clarification concerning the exact demarcation line between the corporate boundary line as it relates to the City of Twinsburg and the Township of Twinsburg as the corporate boundary line may have been affected by the 1997 annexation, various re-plats, boundary line compromise agreement and any other relevant matters; and

Whereas, after a review by the Summit County Engineer, the Summit County Planning Department, the owner of the Subdivision commonly known as Steffan Woods, the City of Twinsburg and the Township of Twinsburg, the parties have all determined and agree that the corporate boundary line runs concurrently with the parcel line which separates the aforesaid properties commonly known as the Abrams Farm Subdivision, Phase I and the Steffan Woods Subdivision, and,

Whereas, all parties desire to memorialize their review, agreement and interpretation as more fully set forth herein and agree to perform and do those things necessary to effectuate this Agreement and as more fully set below,

Whereas, the signatories to this Agreement have reviewed all relevant matters, including but not limited to the annexation petition, annexation plat and supporting documents, the ordinances, and any other matters adopted or filed by the governmental entities, the various plats and re-plats of the properties, the boundary line agreement, the proposed preliminary development plan for Steffan Woods Subdivision and all other pertinent information.

Now therefore, the parties hereby agree as follows:

Section One. The recitals contained in this Agreement are incorporated herein by reference.

Section Two. The parties agree that the intent of the property owner filing the aforesaid 1997 annexation petition was, *inter alia*, to create a corporate boundary line separating the incorporated City of Twinsburg and the unincorporated Township of Twinsburg with said corporate boundary line to run along and be concurrent with the northern parcel line of the property commonly known as the Abrams Farm Subdivision, Phase I and the northern boundary line of any Sublot which might subsequently be created in the Abrams Farm Subdivision, Phase I.

Section Three. The parties agree that the intent of Summit County in approving the 1997 annexation petition was, *inter alia*, to create the corporate boundary line separating the incorporated City of Twinsburg and the unincorporated Township of Twinsburg which would run along and be concurrent with the northern parcel line of the property commonly known as the Abrams Farms Subdivision, Phase I and the northern boundary line of any Sublot which might subsequently be created in the Abrams Farm Subdivision, Phase I.

Section Four. The parties agree that the intent of the adjoining property owners who entered into the boundary line agreement in 2001 was to clarify and remove any ambiguity concerning the location of the parcel boundary between their respective properties and to memorialize that Agreement by, *inter alia*, the filing of plat on June 26, 2001, with the Summit County Fiscal Office at Reception No. 54562634 (Exhibit F) further establishing the parcel boundary as that parcel boundary depicted in the aforesaid plat.

Section Five. The parties agree that the corporate boundary line separating the incorporated City of Twinsburg and the unincorporated Township of Twinsburg runs along and is concurrent with the northern parcel line of the property commonly known as the Abrams Farm Subdivision, Phase I, said northern parcel boundary has also been the corporate boundary line since the above-referenced annexation was completed in 1997 and the northern parcel line remains the corporate boundary line and that parcel boundary

line has been more fully clarified by the 2001 boundary line agreement and includes the northern boundary of any Sublot which has been or may be subsequently created therein. The corporate boundary line is and has always been the parcel boundary running between the Abrams Farm Subdivision, Phase I and the adjacent property to north as more fully set forth in the boundary line agreement and plat filed with the Summit County Fiscal Office on June 26, 2001, at Reception No. 54562634.

Section Six. To effectuate this Agreement, the owner of the property commonly known as the Steffan Woods Subdivision agrees to do the following:

- a. All owners of record of the Steffan Woods Subdivision or their lawfully authorized agent(s) must execute a copy of this Agreement; and
- b. The Steffan Woods Subdivision owners or their lawful agents shall be responsible for obtaining all other signatures and necessary approvals required to effectuate and execute this Agreement as more fully set forth below; and
- c. The Steffan Woods Subdivision owners shall submit a plat for approval to the Summit County Council which shall conform in all respects to the plat requirements for Subdivisions imposed by law and said plat shall also contain language on the plat which references this Agreement; and
- d. The plat language shall also incorporate this Agreement and a fully executed copy of this Agreement must be attached to the plat at the time it is filed with the Summit County Fiscal Office.

Section Seven. This Agreement is subject to the approval of the Council of the City of Twinsburg who must by legislative act authorize its Mayor to execute this Agreement. The legislative approval and signature of the Mayor shall be accomplished in a manner which conforms to all requirements imposed by law.

Section Eight. This Agreement must be submitted and approved by the Trustees of the Township of Twinsburg who shall thereafter affix their signatures which will serve to acknowledge their review and awareness of its terms and conditions. It is understood and acknowledged that Township approval of annexation matters is not a legal requirement under Ohio law and the Township is not a required party to this Agreement.

Section Nine. This Agreement must be reviewed and approved by the Summit County Engineer who shall affix his signature attesting to his agreement with its content and form. Further, the Summit County Engineer must review, approve and sign the plat, as required by law, when it is submitted by the owners of the Steffan Woods Subdivision. The Summit County Engineer will also review any submitted plat to assure compliance with the terms of this Agreement.

Section Ten. This Agreement is subject to the approval of the Council of the County of Summit who must by legislative act authorize its Executive to execute this Agreement. The legislative approval and signature of the Executive shall be accomplished in a manner which conforms to all requirements imposed by law.

Section Eleven. Should this Agreement not be approved by any person or entity whose approval is required, regardless of the reason, then this Agreement shall be null and void and of no effect.

In witness whereof, we have affixed our signatures on the date indicated.

Dear Ms. Hysell:

The surveying department has reviewed the legal description and plat of the referenced project and has found that both items mathematically close. We have no objections to the above referenced annexation, however, we do not guarantee that the requirements of the ORC 709 have been met.
