OWDA NO SW-1
(5/05)COOPERATIVE AGREEMENT FOR CONSTRUCTION, MAINTENANCE
AND OPERATION OF STATE WATER PROJECT OR WASTEWATER PROJECT

THIS AGREEMENT made and entered into as of the date specified on Schedule I hereto (the "Term Sheet," which is fully incorporated herein and made a part hereof) as the "Agreement Date," by and between the OHIO WATER DEVELOPMENT AUTHORITY, a body corporate and politic organized and existing under the provisions of Chapter 6121 of the Revised Code of Ohio (hereinafter referred to as the "OWDA") and the governmental body specified as the "LGA" on the Term Sheet (hereinafter referred to as the "LGA"), a governmental body organized and existing under the laws of the State of Ohio and acting pursuant to an ordinance or a resolution passed by the legislative authority thereof on the date specified on the Term Sheet as the Resolution Date;

WITNESSETH:

WHEREAS, the OWDA has been created, among other reasons, to carry forward the declared public policy of the State of Ohio to preserve, protect, upgrade, conserve, develop, utilize and manage the water resources of the state, to prevent or abate the pollution of water resources, to promote the beneficial use of waters of the state for the protection and preservation of the comfort, health, safety, convenience, and welfare, and the improvement of the economic and general welfare and employment opportunities of and the creation of jobs for the people of the state, and to assist and cooperate with other governmental agencies in achieving such purposes through the establishment, operation and maintenance of water development projects pursuant to Chapter 6121 of the Revised Code; and

WHEREAS, the water system or wastewater system (hereinafter more fully defined and referred to as the "System") of the LGA will require the supply of services (the "Services") for the treatment and/or transmission of drinking water (in the case of a water project) or for the treatment or disposal of wastewater (in the case of a wastewater project) from the construction, operation and maintenance of new or additional facilities (which facilities are hereafter referred to as the "Project Facilities"); and

WHEREAS, the LGA is desirous of obtaining the Services for the System in cooperation with the OWDA; and

WHEREAS, the OWDA is willing to cooperate with the LGA in obtaining such Services, and the LGA has given the OWDA reasonable assurances that the LGA will make the payments hereinafter provided for and will fulfill its other obligations hereunder; and

WHEREAS, the OWDA and LGA have determined to enter into this Agreement to set forth their respective obligations with respect to the financing, construction, operation and ownership of the Project Facilities;

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained, the parties hereto do hereby agree as follows:

publishing the notices and legislation required; legal expenses; administrative expenses of the OWDA in the amount of 0.35% of all Eligible Project Costs other than such administrative expenses, or \$400, whichever is the greater; any obligation for the repayment of borrowed money incurred by the LGA to the OWDA under any Cooperative Agreement for State Planning Project between the LGA and OWDA with respect to the Project Facilities, and any other necessary miscellaneous expenditures; provided, however, that Eligible Project Costs shall include costs incurred prior to the date hereof only if and to the extent that, in the opinion of nationally recognized bond counsel satisfactory to the OWDA, the payment of such costs by the OWDA would not cause the interest on any debt obligations of the OWDA to cease to be excluded from gross income for purposes of federal income taxation; and provided further, however, that Eligible Project Costs shall include costs for the acquisition of real property or interests therein (other than easements) only if the OWDA shall have received from the LGA reasonably sufficient assurances as to environmental matters related to such real property. Notwithstanding anything contained herein to the contrary, Eligible Project Costs shall not include any commissions, fees and/or expenses which may be owed by the LGA to a broker or finder as a result of or in connection with the OWDA's agreement to pay the Eligible Project Costs to the LGA as provided herein.

DEFINITIONS RELATING TO PARTICIPATION IN COSTS

(f) "Original Loan Amount" means those Eligible Project Costs that are paid with moneys disbursed out of funds of the OWDA, which costs shall in no event exceed the amount specified on the Term Sheet as the "Maximum Original Loan Amount."

(g) "Semiannual Payment Obligation" means the amount payable semiannually by the LGA to amortize the Original Loan Amount over the Contract Period of Years with interest on the outstanding balance of the Original Loan Amount at the Contract Interest Rate. An estimate of the Semiannual Payment Obligation based on the Maximum Original Loan Amount and the Contract Interest Rate is specified on the Term Sheet beneath the Maximum Original Loan Amount.

If the Contract Period of Years commences prior to the final determination of the Original Loan Amount, the Semiannual Payment Obligation shall be based upon the best figures available at the time the computation of each semiannual payment is required to be made. When such final costs are known, the Semiannual Payment Obligation shall be recomputed and the next following semiannual payment shall be either increased or decreased by a factor sufficient to correct for any overpayment or underpayment through the date of such recomputation so that the total amount received by OWDA over the Contract Period of Years will be the same amount as would have been received had the final Original Loan Amount been used in computing the Semiannual Payment Obligation at the commencement of the Contract Period of Years. The interest during construction computed at the Contract Interest Rate shall, however, be computed based on the then existing cost allocations at the time of such computation and shall not be recomputed.

(h) "Contract Interest Rate" means the rate specified as such on the Term Sheet.

(b) The construction of the Project Facilities on the Project Site will be performed in compliance with all applicable federal, state and local environmental laws and regulations in effect as of the date hereof.

(c) All laborers and mechanics employed on the Project Facilities shall be paid at the prevailing rates of wages of laborers and mechanics for the class of work called for by the Project Facilities, which wages shall be determined in accordance with the requirements of Chapter 4115, Ohio Revised Code, for determination of prevailing wage rates.

(d) Prior to the commencement of construction, the LGA will arrange and conduct a preconstruction conference to include representatives of the OWDA, the LGA and the consulting or resident engineers of the LGA and each contractor.

(e) Each construction contract and contractor's estimate form will be prepared so that materials and equipment furnished to the LGA may be readily itemized.

(f) All requests submitted by the LGA for the payment or reimbursement of incurred Eligible Project Costs shall include evidence of the costs incurred and will be prepared so that such costs may be readily itemized.

(g) Any change or changes in a construction contract that would increase the contract price by an amount in excess of one percent (1%) or any change or changes regardless of cost that substantially modify the processes contemplated to be performed by the Project Facilities will be submitted to the OWDA for prior approval.

(h) Notification of all change orders not requiring prior approval of the OWDA will be submitted to the OWDA within one (1) month of the time at which they are ordered by the resident or consulting engineer of the LGA.

(i) The construction of the Project Facilities, including the letting of contracts in connection therewith, will conform to applicable requirements of federal, state and local laws, ordinances, rules and regulations.

(j) The LGA will proceed expeditiously with, and complete, the Project Facilities in accordance with the Approved Application and any surveys, plans, profiles, cross sections and specifications or amendments thereto approved by the Director of Environmental Protection of Ohio.

(k) Notwithstanding anything contained herein to the contrary, the obligation of the OWDA to pay Eligible Project Costs pursuant to the terms and conditions of this Agreement shall expire three (3) years from the date hereof. Upon the expiration of the aforesaid period of years, the OWDA shall not be obligated to pay any additional Eligible Project Costs to the LGA hereunder. In the event that the OWDA, in its sole discretion, decides to pay additional Eligible Project Costs after the expiration of its obligation to do so hereunder, it shall so notify the LGA. No such decision by the OWDA to pay any additional Eligible Project Costs hereunder shall be deemed to constitute an extension of its obligation to pay Eligible Project Costs hereunder.

09-027

provisions of this Section shall be repaid in not more than three (3) years after termination with interest on the outstanding balances at the Contract Interest Rate.

Section 3.7. The OWDA may decline to deliver any further certificates of availability of funds pursuant to Section 3.8 hereof from and after any determination by the OWDA that any information furnished to the OWDA, in writing or otherwise, in connection with the LGA's application for the transactions contemplated by this Agreement was false or misleading in any material respect or that such information omitted any other information needed to make the information furnished not false or misleading in any material respect.

Section 3.8. Subject to Section 3.7 hereof, the OWDA shall deliver to the LGA a certificate, certifying that moneys in the amount necessary to pay the Eligible Project Costs obligated or to be obligated up to the Maximum Original Loan Amount are available or are in the process of collection and have been encumbered by the Authority. When such Eligible Project Costs have been incurred and payment requested from the OWDA by the LGA in form and detail satisfactory to the OWDA, the OWDA shall cause to be delivered checks in payment of the invoices, demands for payment, approved contractors' estimates or other evidence of cost incurrence to the persons or entities entitled to payment in conformity with the encumbrance of funds set forth to pay such obligated Eligible Project Costs.

Section 3.9. Upon completion of the Project Facilities, the LGA shall make a full and complete accounting to the OWDA of the final Eligible Project Costs.

ARTICLE IV - PAYMENTS BY LGA

Section 4.1. Subject to the further provisions hereinafter set forth, the LGA agrees to and shall pay semiannually on January 1 and July 1 of each year of the Contract Period of Years, commencing on the First Payment Date (each such date a "Due Date"), to the OWDA, but solely from the Pledged Revenues, the Semiannual Payment Obligation. In the event that the LGA pays less than the full amount due hereunder on any Due Date, then the amount so paid shall be applied first to interest payable hereunder, then to any late charges payable hereunder, and then to the Original Loan Amount payable hereunder. The LGA acknowledges and agrees that the OWDA afforded the LGA the opportunity to choose between a schedule of payments based on equal principal payments and one based on equal debt service payments and that the estimated Semiannual Payment Obligation shown on the Term Sheet reflect the choice of the LGA.

The obligation of the LGA to pay the charges set forth shall not be assignable, and the LGA shall not be discharged therefrom, without the prior written consent of the OWDA. In the event that services supplied by the Project Facilities or any other portion of the System shall cease or be suspended for any reason, the LGA shall continue to be obligated to pay the charges pursuant to this Section 4.1, but solely from the Pledged Revenues. If the LGA does not pay any of the charges set forth in this Section 4.1 on or before the 5th day after the Due Date, the amount of such default shall bear interest at the Default Rate from the Due Date until the date of the payment thereof. Interest at the Default Rate shall be calculated for the actual number of days of default from the Due Date until payment on the basis of a 360 day year. If the LGA does

Section 4.4. If the LGA pays all or any portion of the Semiannual Payment Obligation from Special Assessment Funds and if any payor of the Special Assessment Funds elects to pay the special assessments in a one-time, lump-sum payment in lieu of having the special assessments certified to the appropriate county auditor for periodic collection, then the LGA may elect to apply the amount of such payment to a reduction of the Original Loan Amount by including that amount with its next payment of the Semiannual Payment Obligation pursuant to Section 4.1 hereof, accompanied by a written notice to the Authority identifying the amount so included and directing the Authority so to apply that amount. Upon the receipt of such payment and notice, the Authority shall recompute the remaining payments of the Semiannual Payment Obligation based on the reduced Original Loan Amount and shall notify the LGA in writing of the reduced amount of the remaining payments.

Section 4.5. In order to enable the OWDA to comply with the requirements of federal securities laws (including, without limitation, Rule 10b-5 and Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended), the LGA agrees to prepare and file with the OWDA or, at the direction of the OWDA, to file with the Municipal Securities Rulemaking Board ("MSRB"), any one or more nationally recognized municipal securities information repositories ("NRMSIRs") or state information depository ("SID"), any annual financial information or material events disclosures that the OWDA may determine it requires to achieve such compliance. The LGA consents to the OWDA's incorporation by reference into OWDA official statements or other OWDA filings with the MSRB, any NRMSIR, or any SID of any official statements or portions thereof, financial statements, or other documents that the LGA may have filed or may file with the MSRB, any NRMSIR, or any SID. In the event the LGA fails to prepare any financial statement or other financial information that this Section requires the LGA to prepare and file with or at the direction of the OWDA, then the OWDA shall have the right (in addition to any other rights it may have to enforce the obligations of the LGA hereunder) to inspect all records, accounts and data of the System and cause the preparation of the required financial statement or information and to employ such professionals as it may reasonably require for that purpose, and to be reimbursed from any available Pledged Revenues for the costs of its doing so. This Section shall not be construed to limit the generality of Section 4.3 hereof.

ARTICLE V - MAINTENANCE, OPERATION, INSURANCE AND CONDEMNATION

Section 5.1. The LGA agrees that during the Contract Period of Years that: (a) it will, subject to its right to contest in good faith the issue of non-compliance, operate the Project Facilities and the System, or cause them to be operated, in compliance with all applicable federal, state and local environmental laws and regulations in effect during such period, and (b) it will, subject to its right to discontinue use or operation of the Project Facilities or the System or any part thereof in accordance with this Agreement, keep the Project Facilities and the System, including all appurtenances thereto and the equipment and machinery therein, or cause them to be kept, in good repair and good operating condition so that the completed Project Facilities and System will continue to operate with substantially the same efficiency as when first constructed.

Section 5.5. The net proceeds of the insurance carried pursuant to the provisions of Sections 5.3 and 5.6 hereof shall be applied as follows: (i) the net proceeds of the insurance required in Section 5.3 hereof shall be applied as provided in Section 5.9 hereof, and (ii) the net proceeds of the insurance required in Section 5.6 hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

Section 5.6. The LGA agrees that it will carry, or will cause to be carried, public liability insurance with reference to the Project Facilities with one or more reputable insurance companies duly qualified to do business in the State of Ohio, in minimum amounts of \$500,000 for the death of or personal injury to one person and \$1,000,000 for personal injury or death for each occurrence in connection with the Project Facilities and \$500,000 for property damage for any occurrence in connection with the Project Facilities. The OWDA shall be made an additional insured under such policies.

Section 5.7. Throughout the Contract Period of Years, the LGA shall maintain Workers' Compensation Coverage or cause the same to be maintained in accordance with state law.

Section 5.8. In the event the LGA shall fail to maintain, or cause to be maintained, the full insurance coverage required by this Agreement or shall fail to keep, or cause to be kept, the Project Facilities in good repair and operating condition, or shall fail to operate, or cause to be operated, the Project Facilities in accordance with Section 5.2 hereof, the OWDA may (but shall be under no obligation to) take out the required policies of insurance and pay the premiums on the same or may make such repairs or replacements as are necessary or may hire the necessary operating personnel to insure compliance with Section 5.2 and provide for payment thereof; and all amounts so advanced therefor by the OWDA shall become an additional obligation of the LGA to the OWDA which amounts, together with interest thereon at the Contract Interest Rate or at the rate of eight per centum (8%) per annum, whichever is greater, from the date thereof, the LGA agrees to pay.

Section 5.9. If prior to the completion of the Contract Period of Years the Project Facilities shall be damaged or partially or totally destroyed by fire, flood, windstorm or other casualty, there shall be no abatement or reduction in the amounts payable by the LGA pursuant to Section 4.1 hereof, and the LGA will (i) promptly repair, rebuild or restore the property damaged or destroyed, and (ii) apply for such purpose so much as may be necessary of any net proceeds of insurance policies resulting from claims for such losses as well as any additional moneys of the LGA necessary therefor. All net proceeds of insurance resulting from claims for such losses shall be paid to the LGA.

Section 5.10. In the event that title to or the temporary use of the Project Site the Project Facilities, or the System, or any part thereof, shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, there shall be no abatement or reduction in the amounts payable by the LGA pursuant to Section 4.1 hereof, and any net proceeds received from any award made in such eminent domain proceedings shall be paid to and held by the LGA in a separate condemnation award account and shall be applied by the LGA in either or both the following ways as shall be determined by the LGA:

(a) The LGA shall fail to make any payment to the OWDA required pursuant to this Agreement when the same is due and payable, including, without limitation, any amount due and payable pursuant to Article IV hereof; or

(b) The LGA shall fail to observe and perform any other obligations, agreements or provisions herein, which failure shall continue for thirty (30) days after receipt of written notice thereof from the OWDA; provided, however, that such failure shall not constitute an Event of Default hereunder if the cure of such failure cannot be effected within thirty (30) days and if the LGA is taking all reasonably necessary actions to cure such failure with all deliberate speed.

(c) Any representations made by the LGA in Section 6.1. shall at any time during the Contract Period of Years prove to be false.

Section 6.3. Whenever an Event of Default shall have happened and be subsisting, the OWDA may exercise any and all rights and remedies for the enforcement of the obligations of the LGA hereunder. In addition to any other rights or remedies provided herein, by law or otherwise, the OWDA may:

(a) declare the full amount of the then unpaid Original Loan Amount to be immediately due and payable;

(b) to the extent permitted under any judgment, consent order or agreement affecting the LGA, require the LGA to agree to subordinate the payment of any fines or penalties imposed for the violation of any federal, state or local environmental law or regulation applicable to the System to the payment of the Original Loan Amount and the interest and any late charges due thereon, and the LGA hereby agrees to use its best efforts to effect such subordination.

Section 6.4. No right or remedy conferred upon the OWDA under Section 6.3 hereof is intended to be exclusive of any other right or remedy given herein, by law or otherwise. Each right or remedy shall be cumulative and shall be in addition to every other remedy given herein, by law or otherwise.

Section 6.5. The LGA releases the OWDA from, agrees that the OWDA shall not be liable for, and agrees, to the fullest extent permitted by law, to hold the OWDA, its officers, employees and agents harmless against, any loss or damage to property, or any loss or injury to or death of any person, or any other loss or damage, that may be occasioned by any cause whatsoever pertaining to the System, the Project Facilities, or the use thereof; provided that such indemnity under this Section shall not be effective for damages that result from negligent or intentional acts of the OWDA, its officers, employees and agents. The LGA further agrees, to the fullest extent permitted by law, to indemnify and hold harmless the OWDA and its officers, employees and agents against and from any and all cost, liability, expenses and claims arising from any breach or default on the part of the LGA in the performance of any covenant or agreement on the part of the LGA to be performed pursuant to the terms of this Agreement, arising from the acquisition, construction, installation, or improvement of the Project Facilities or arising from any act or negligence of or failure to act by the LGA, or any of its agents, contractors, servants, employees or licensees, or arising from any accident, injury or

OWDA requesting assistance prior to entering into any agreement which may be prohibited as provided hereinabove.
