It is necessary to issue bonds of this County in the aggregate principal amount of not to exceed \$600,000 (the "Bonds") to pay costs of renovating, improving, equipping and furnishing the Summit Center Building, including all necessary appurtenances thereto and related Financing Costs. The principal amount of the Bonds shall be the amount determined by the Authorized Official in the Certificate of Award to be the amount necessary for the purpose set forth in this Section, including any issuance costs.

Subject to the limitations set forth in this resolution, the aggregate principal amount of Bonds to be issued, the principal maturities of and the principal payment schedule for the Bonds, the interest rate or rates that the Bonds shall bear and certain other terms and provisions of the Bonds identified in this resolution are subject to further specification or determination in the Certificate of Award upon the finalization of the terms and provisions of the Bonds.

The proceeds from the sale of the Bonds, except any premium and accrued interest, shall be paid into the proper fund or funds, and those proceeds are appropriated and shall be used for the purpose for which the Bonds are being issued (including those costs described in Section 6(d) hereof). Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions.

The Bonds shall be issued in one lot and only as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The respective principal amounts of the Bonds to be issued as Current Interest Bonds and Capital Appreciation Bonds or Tax Credit Obligations (if any Bonds are issued as such) shall be determined by the Authorized Official in the Certificate of Award. The Current Interest Bonds shall be dated as of the Closing Date, or such other date as is established by the Authorized Official in the Certificate of Award, but in any case not more than 50 days prior to the date of their initial delivery, any Capital Appreciation Bonds shall be dated as of the Closing Date, and any Tax Credit Obligations shall be dated as of the date set forth in the Certificate of Award.

(a) Interest Rates and Payment Dates. The Current Interest Bonds shall bear interest at the rate or rates per year (computed on a 360-day year basis) not to exceed 7% per year for any stated maturity, as specified in the Certificate of Award; provided that the Current Interest Bonds of any one maturity shall all bear the same rate of interest. Interest on the Current Interest Bonds shall be payable on June 1 and December 1 of each year (the "Interest Payment Dates"), commencing June 1, 2011, until the principal amount has been paid or provided for; provided, however, that if the Authorized Official determines it to be in the best interests and financial advantages of the County, he may set forth different Interest Payment Dates and/or a different initial Interest Payment Date in the Certificate of Award. The Current Interest Bonds shall bear interest from the most recent date to which interest has been paid or provided for, or if no interest has been paid or provided for, from their date.

Any Capital Appreciation Bonds shall bear interest from the Closing Date at the compounding rate or rates of interest per year (computed on the basis of a 360-day year consisting of twelve 30-day months), not exceeding 15% per year for any stated maturity, accrued and compounded on each Interest Accretion Date and payable at maturity, which will result in the aggregate Maturity Amounts payable at maturity, as shall be specified by the Authorized Official in the Certificate of Award; provided, that all Capital Appreciation Bonds of the same maturity shall bear the same compounding rate of interest. The total interest accrued on any Capital Appreciation Bond as of any particular date shall be an amount equal to the amount by which the Compound Accreted Amount of that Capital Appreciation Bond exceeds the original principal amount of that Capital Appreciation Bond as of that date.

Any Tax Credit Obligations shall bear the rate or rates of interest per year (computed on the basis of a 360-day year consisting of twelve 30-day months or as otherwise set forth in the Certificate of Award), not exceeding 10% per year as to any stated maturity, as shall be specified by the Authorized Official (subject to subsection (c) of this Section) in the Certificate of Award; provided, that all Tax Credit Obligations of the same maturity may bear interest at different rates. Interest on the Tax Credit Obligations shall be payable on each Interest Payment Date until the principal amount has been paid or provided for, except as may otherwise be set forth in the Certificate of Award. The Tax Credit Obligations shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for from their date, unless otherwise set forth in the Certificate of Award.

Notwithstanding any provision herein to the contrary, Bonds maturing on any one Principal Payment Date may be issued separately as Current Interest Bonds, Capital Appreciation Bonds and Tax Credit Obligations, or any combination thereof.

(b) Principal Payment Schedule. The Bonds shall mature or be payable pursuant to mandatory sinking fund redemption on the Principal Payment Dates, or such other years as may be set forth in the Certificate of Award, provided the final maturity date shall be not later than the maximum maturity of the Bonds set forth in the third recital hereto, in the following principal amounts:

Principal		Principal

2011	\$10,000	2021	\$30,000

2015	25,000	2025	35,000
2016	25,000	2026	35,000

2018	25,000	2028	40,000
2019	25,000	2029	40,000
2020	25,000	2030	45,000

; provided that, subject to the limitations set forth in this resolution, the principal amount of Bonds maturing or subject to mandatory sinking fund redemption requirements on any one or

more of the Principal Payment Dates may be increased or decreased as specified by the Authorized Official in the Certificate of Award, and the Principal Payment Dates may be as otherwise specified in the Certificate of Award, if determined to be in the best interests and financial advantages of the County.

Consistent with the foregoing and in accordance with the determination of the Authorized Official of the best interests of and financial advantages to the County, the Authorized Official shall specify in the Certificate of Award (i) the aggregate principal amount of Bonds to be issued, (ii) the aggregate principal amount of Bonds to be issued as Current Interest Bonds, (iii) the aggregate principal amount of Current Interest Bonds to be issued as Current Interest Serial Bonds, the Principal Payment Date or Dates on which those Bonds shall mature and the principal amount thereof that shall be stated to mature on each Principal Payment Date; (iv) the aggregate principal amount of Current Interest Bonds to be issued as Current Interest Term Bonds, the Principal Payment Dates on which those Bonds subject to mandatory sinking fund redemption shall be stated to mature and shall be subject to mandatory sinking fund redemption (the "Mandatory Redemption Dates") and the principal amounts thereof that shall be payable pursuant to mandatory sinking fund redemption requirements on each Mandatory Redemption Date, (v) the aggregate original principal amount of the Bonds to be issued as Capital Appreciation Bonds, if any, and the corresponding aggregate Maturity Amount thereof that shall be payable on each Interest Payment Date, (vi) the aggregate principal amount of Bonds to be issued as Tax Credit Obligations and any redemption provisions applicable thereto, (vii) the rate or rates of interest per year to be borne by the Current Interest Bonds or Tax Credit Obligations and the compounding rate or rates of interest per year to be borne by any Capital Appreciation Bonds, (viii) if determined by the Authorized Official in the Certificate of Award to be necessary or advisable to the sale of the Bonds, the Bonds shall be subject to extraordinary redemption by and at the option of the County as provided in the Certificate of Award, (ix) if determined by the Authorized Official in the Certificate of Award to be necessary or advisable to the sale of the Bonds, that the Bonds shall be designated as "qualified tax-exempt obligations" under the applicable provisions of Section 265 of the Code and ~~(ix)~~ (x) any other matters as set forth in this resolution.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Current Interest Bonds and Tax Credit Obligations, taking into account any Refundable Tax Credit that the County has elected to receive, and the compounding rate or rates of interest per year to be borne by any Capital Appreciation Bonds, and the principal amount of Current Interest Bonds maturing or payable pursuant to Mandatory Sinking Fund Redemption Requirements on each Principal Payment Date and the Maturity Amount of any Capital Appreciation Bonds payable on each Principal Payment Date, shall be such that the total principal and interest payments on the Bonds in any fiscal year in which principal is payable is not more than three times the amount of those payments in any other such fiscal year.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Current Interest Bonds and any Tax Credit Obligations, and principal of and interest on any Capital Appreciation Bonds, shall be payable when due upon presentation and surrender of the Bonds at the Designated Corporate

Trust Office of the Bond Registrar. Interest on a Current Interest Bond and any Tax Credit Obligation shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the fifteenth day of the calendar month next preceding that Interest Payment Date, or as otherwise may be set forth in the Certificate of Award. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book entry system, principal of and interest on the Bonds shall be payable in the manner provided in any agreement entered into by the Authorized Official in the name of the County in connection with the book entry system.

(e) Redemption Provisions. The Capital Appreciation Bonds, if any, shall not be subject to redemption prior to maturity. Unless otherwise specified by the Authorized Official in the Certificate of Award, the Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Sinking Fund Redemption. If requested by the Original Purchaser and confirmed in the Certificate of Award, the principal maturity amount of Current Interest Bonds on any maturity date may be consolidated with one or more consecutive preceding annual principal maturity amounts of Current Interest Bonds into a single aggregate principal amount stated to mature on that maturity date. In that case, those Current Interest Term Bonds then stated to mature on such maturity date shall be subject to mandatory sinking fund redemption in part by lot and be redeemed at a redemption price of 100% of the principal amount redeemed, plus interest accrued to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those dates as set forth in the Certificate of Award (such dates and amounts, the "Mandatory Sinking Fund Redemption Requirements").

The aggregate amount of money to be deposited with the Bond Registrar for payment of principal of and interest on Current Interest Term Bonds on each Mandatory Redemption Date shall include amounts sufficient to redeem on that date the principal amount of Current Interest Term Bonds payable on that date pursuant to Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as provided below).

The County shall have the option to deliver to the Bond Registrar for cancellation Current Interest Term Bonds in any aggregate principal amount and to receive a credit against the then current Mandatory Sinking Fund Requirement (and corresponding mandatory redemption obligation) of the County for Current Interest Term Bonds stated to mature on the same Principal Payment Date as the Current Interest Term Bonds so delivered. That option shall be exercised by the County on or before the 45th day preceding the applicable Mandatory Redemption Date, by furnishing the Bond Registrar a certificate, executed by the Authorized Official, setting forth the extent of the credit to be applied with respect to the then current Mandatory Sinking Fund Redemption Requirement for Current Interest Term Bonds stated to mature on the same Principal Payment Date. If the certificate is not timely furnished to the Bond Registrar, the Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current Mandatory

Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) also shall be received by the County for any Current Interest Term Bonds which prior thereto have been redeemed (other than through the operation of the Mandatory Sinking Fund Redemption Requirement) or purchased for cancellation and canceled by the Bond Registrar, to the extent not theretofore applied as a credit against any Mandatory Sinking Fund Redemption Requirements for Current Interest Term Bonds.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current Mandatory Sinking Fund Redemption Requirement (and corresponding mandatory redemption obligation) for Current Interest Term Bonds. Any excess of that amount over the then current Mandatory Sinking Fund Redemption Requirement shall be credited against subsequent Mandatory Sinking Fund Redemption Requirements (and corresponding mandatory redemption obligations) for Current Interest Term Bonds in the order directed by the Authorized Official.

(ii) Optional Redemption. If it is determined by the Authorized Official in the Certificate of Award to be necessary or advisable to the sale of the Bonds, the Bonds shall as provided in that Certificate of Award be subject to redemption by and at the option of the County, in whole or in part on any Interest Payment Date, in Authorized Denominations, at the redemption prices specified (expressed as a percentage of the principal amount redeemed) plus, in each case, accrued interest to the redemption date; provided that, the earliest optional redemption date shall not be earlier than December 1, 2020, and the highest redemption price shall not be greater than 101%.

If optional redemption at a redemption price exceeding 100% of the principal amount to be redeemed is to take place as of any applicable Mandatory Redemption Date, the Bonds, or portions thereof, to be so redeemed shall be selected by lot prior to the selection by lot of the Bonds to be redeemed on the same date by operation of the Mandatory Sinking Fund Redemption Requirements. Bonds to be redeemed pursuant to this paragraph shall be redeemed only upon written notice from the County to the Bond Registrar, given upon the direction of the Authorized Official by adoption of a resolution. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as hereinafter provided, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys which, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus interest accrued to the redemption date, all of the redeemable Bonds for which notice of redemption has been given.

(iii) Partial Redemption. If fewer than all of the outstanding Bonds are called for redemption at one time, they shall be called from the maturities and in the principal amount of a maturity as selected by the County. If fewer than all Bonds of a single maturity are to be redeemed, the selection of Bonds to be redeemed, or portions thereof in

Authorized Denominations, shall be made by lot by the Bond Registrar in any manner which the Bond Registrar may determine. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than \$5,000 are then outstanding, each \$5,000 unit of principal thereof shall be treated as though it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all of the \$5,000 units of principal amount represented by a Bond are to be called for redemption, then upon notice of redemption of a \$5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (i) for payment of the redemption price of the \$5,000 unit or units called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (ii) for issuance, without charge to the registered owner thereof, of a new Bond or Bonds of any Authorized Denomination or denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered; provided, however, if the minimum Authorized Denomination is determined in the Certificate of Award to be other than a \$5,000 unit, the provisions of this subparagraph (c) shall be applied utilizing the minimum Authorized Denomination set forth in the Certificate of Award.

(iv) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (i) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (ii) the redemption price to be paid, (iii) the date fixed for redemption, and (iv) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the County by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15th day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(v) Payment of Redeemed Bonds. Notice having been mailed in the manner provided in the preceding paragraph, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus interest accrued to the redemption date. If money for the redemption of all of the Bonds and portions thereof to be redeemed, together with interest accrued thereon to the redemption date, is held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If that money shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All money held by the Bond Registrar for the redemption of particular Bonds shall be held in trust

for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds.

If in the judgment of the Authorized Official the filing of applications for a rating on the Bonds by one or more rating services, or for a policy of bond insurance or other credit support instrument relating to the Bonds, are necessary or desirable for marketing purposes, the Authorized Official is authorized to prepare and submit either or both of those applications, to provide such information as may be required in support of them and to provide further for the payment of the cost of such rating, policy or other credit support instrument payable by the County from proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

Section 4. Execution and Authentication of Bonds; Appointment of Bond Registrar.

The Bonds shall be signed by the County Executive and the County Fiscal Officer in the name of the County and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the denominations and numbers as requested by the Original Purchaser and approved by the Authorized Official, shall be numbered as determined by the Authorized Official and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this resolution. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond Proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond Proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar, or by any other person acting as an agent of the Bond Registrar and approved by the Authorized Official on behalf of the County. The same person need not sign the certificate of authentication on all of the Bonds.

The Authorized Official is hereby authorized and directed to appoint, in the Certificate of Award, a Bond Registrar after determining that its services as Bond Registrar will be for reasonable compensation and that it will adequately protect the funds of the County with proper procedures and safeguards available for that purpose, with such determinations to be evidenced by that appointment; provided, however, the Authorized Official may determine that the County Fiscal Officer shall act as bond registrar, authenticating agent, transfer agent and/or paying agent if he determines such to be necessary and advisable to the issuance and sale of the Bonds. If necessary, the Authorized Official are hereby authorized to execute and deliver a Registrar Agreement. The Registrar Agreement shall have such terms as shall be consistent with this resolution and in the best interests and financial advantages of the County, all of which shall be conclusively evidenced by the signing of the Registrar Agreement or amendments to the Registrar Agreement. The County Fiscal Officer shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to such Registrar Agreement from the proceeds of the Bonds, to the extent available, and then from other money lawfully available and appropriated or to be appropriated for that purpose.

Section 5. Registration; Transfer and Exchange; Book Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the County will cause the Bond Registrar to maintain the Bond Register at its Designated Corporate Trust Office. Subject to the provisions of this Section 5, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond Proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the County nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the County's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any authorized denomination upon presentation and surrender at the main office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at that office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any authorized denomination or denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date. The provisions of this paragraph are subject to the book entry provisions stated below.

If manual signatures on behalf of the County are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the County. In all cases of Bonds exchanged or transferred, the County shall provide for the signing and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond Proceedings. The exchange or transfer shall be without charge to the owner, except that the County and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The County or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the County, evidencing the same debt, and entitled to the same security and benefit under the Bond Proceedings, as the Bonds surrendered upon that exchange or transfer.

Notwithstanding any other provisions of this resolution, if it is determined by the Authorized Official to be advantageous to the County, the Bonds may be issued in book entry form in accordance with the provisions of this Section.

(c) Book Entry System. The Bonds may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity and registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (ii) the owners of book entry interests shall have no right to receive Bonds in the

form of physical securities or certificates; (iii) ownership of book entry interests shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the County.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book entry system, the Authorized Official may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Authorized Official does not or is unable to do so, the Authorized Official, after making provision for notification of the owners of book entry interests by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and authenticate and deliver bond certificates in registered form to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of County action or inaction, of those persons requesting such issuance.

The Authorized Official is also hereby authorized and directed to the extent necessary or required to enter into any agreements or make and sign any representations on behalf of the County determined necessary in connection with the book entry system for the Bonds, after determining that the signing thereof will not endanger the funds or securities of the County (such determination to be evidenced by that signing).

Section 6.

(a) Sale of the Bonds. The Bonds are hereby sold and awarded at not less than 97% of par (plus any accrued interest) at private sale to the Original Purchaser with the purchase price, the aggregate principal amount of Bonds to be issued, the aggregate principal amount of Current Interest Bonds and aggregate original principal amount of Capital Appreciation Bonds (if any) to be issued, the amount of each principal payment, the interest rate on the Bonds for each maturity, serial maturities of Current Interest Serial Bonds and Mandatory Sinking Fund Redemption Requirements for any Current Interest Term Bonds, any optional redemption and extraordinary optional redemption provisions and all other matters as provided for herein, as set forth in the Certificate of Award, in accordance with law and the provisions of this resolution.

The Authorized Official shall sign and deliver, in the name of and on behalf of the County, the Bond Purchase Agreement substantially in the form now on file with the Clerk of Council. The Bond Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this resolution and not substantially adverse to the County and that are approved by the Authorized Official on behalf of the County, all of which shall be conclusively evidenced by the signing of the Bond Purchase Agreement or amendments to it. The Authorized Official shall execute the Certificate of Award and the Bond Purchase Agreement and shall cause the Bonds to be prepared, and have the Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds if requested by the Original Purchaser, to the Original Purchaser upon payment of the purchase price. The County Executive, County Fiscal Officer, Clerk of Council, County Prosecutor, and other County officials, as appropriate, are each authorized and directed to sign any transcript

certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this resolution (including escrow agreements and security purchase or investment agreements as necessary or appropriate for the securing and investment of any sinking fund established to secure Tax Credit Obligations).

(b) Primary Offering Disclosure – Official Statement. The preliminary official statement of the County relating to the original issuance of the Bonds substantially in the form now on file with the Clerk of Council (the “Preliminary Official Statement”) is approved. The distribution and use of the Preliminary Official Statement is hereby approved. The County Executive and the County Fiscal Officer, each or all are authorized and directed, on behalf of the County, and in their official capacities, to complete the Preliminary Official Statement, with such modifications, completions, changes and supplements, as those officers shall approve or authorize for the purpose of preparing and determining, and to certify or otherwise represent, that the revised official statement is a “deemed final” official statement (except for permitted omissions) by the County as of its date and is a final official statement for purposes of SEC Rule 15c2-12(b)(1), (3) and (4).

(c) Agreement to Provide Continuing Disclosure. Those officers are each further authorized to use and distribute, or authorize the use and distribution of, the final official statement and supplements thereto in connection with the original issuance of the bonds as may in their judgment be necessary or appropriate. Those officers and each of them are also authorized to sign and deliver, on behalf of the County, and in their official capacities, such certificates in connection with the accuracy of the final official statement and any amendment thereto as may, in their judgment, be necessary or appropriate.

For the benefit of the holders and beneficial owners from time to time of the Bonds, the County agrees, in accordance with, and as the only obligated person with respect to the Bonds under the Rule, to provide or cause to be provided such financial information and operating data (annual information), audited financial statements and notices, in such manner, as may be required for purposes of paragraph (b)(5)(i) of the Rule. In order to describe and specify certain terms of the County’s continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the Authorized Official is authorized and directed to sign and deliver, in the name and on behalf of the County, the Continuing Disclosure Certificate, with any changes or amendments that are not inconsistent with this resolution and not substantially adverse to the County and that are approved by the Authorized Official on behalf of the County, all of which shall be conclusively evidenced by the signing of that Certificate or amendments to it. The agreement formed, collectively, by this paragraph and that Certificate, shall be the County’s continuing disclosure agreement for purposes of the Rule, and its performance shall be subject to the availability of funds and their annual appropriation to meet costs the County would be required to incur to perform it.

The County Executive is further authorized and directed to establish procedures in order to ensure compliance by the County with its continuing disclosure agreement, including the timely provision of information and notices. Prior to making any filing in accordance with that agreement or providing notice of the occurrence of any other events, the County Executive may

consult with, as appropriate, the legal counsel and bond or other qualified independent special counsel to the County. The County Executive, acting in the name and on behalf of the County, shall be entitled to rely upon any legal advice provided by any such counsel in determining whether a filing should be made.

(d) Application for Rating or Bond Insurance; Financing Costs. If, in the judgment of the Authorized Official, the filing of an application for (i) a rating on the Bonds by one or more nationally-recognized rating agencies or (ii) a policy of insurance from a company or companies to better assure the payment of principal of and interest on the Bonds is in the best interest of and financially advantageous to this County, those officers are authorized to prepare and submit those applications and to provide to each such agency or company such information as may be required for the purpose, and to provide further for the payment of the cost of obtaining each such rating or policy.

The expenditure of the amounts necessary to secure those ratings and to pay the other Financing Costs in connection with the Bonds is authorized and approved, and the Authorized Official is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

The Authorized Official is authorized, if it is determined to be in the best interest of the County, to combine the issue of Bonds with one or more other bond issues of the County into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code.

(e) Separate Sale for Bonds of Different Tax Status. If, in the judgment of the Authorized Official after consultation with the Original Purchaser, it is in the best interest of and financially advantageous to the County to sell Bonds of one Tax Status separately from Bonds of another Tax Status, the Bonds may be issued and sold in separate series, and the Authorized Official may enter into a separate Purchase Agreement with respect to each such series, and the provisions of subsections (a) through (d) of this Section shall apply to each such sale, and references to "Bond Purchase Agreement," "disclosure document," and "Continuing Disclosure Certificate" shall include the Bond Purchase Agreement, disclosure document and Continuing Disclosure Certificate for the series of Bonds sold separately pursuant to this subsection (e).

The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due. In each year to the extent other moneys lawfully available to the County are available for the payment of debt charges on the Bonds and

The County further covenant that (a) it will take or cause to be taken such actions that may be required of them for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for them, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property acquired with those proceeds, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code; (b) ***The representations and covenants of this subparagraph (b) apply only to Bonds issued and sold as Tax Credit Obligations.*** The Authorized Official, is, alone or in conjunction with any of the foregoing or with any other officer or employee of the County, authorized to cooperate with the Original Purchaser by making, on behalf of the County, such covenants and representations as are appropriate and necessary so that (i) the Bonds will qualify and remain qualified as Tax Credit Obligations under the applicable provisions of Section 54AA of the Code, (ii) the County will not take or authorize to be taken any actions that would adversely affect that Tax Status, and (iii) the County, or persons acting for it, will, among other acts of compliance, (A) apply or cause the application of the proceeds of the Bonds to the governmental purpose of the borrowing, (B) restrict yield on investment property, (C) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such Tax Status under the Code.
