This amendment to a certain Term Sheet dated July 9, 2013 between the County of Summit, Ohio ("County"), the Development Finance Authority of Summit County ("DFA") and the City of Green, Ohio ("City") is entered into on the date last written above:

Section 4 of the Term Sheet, entitled "Contingency on Lease of Lands to the DFA," is hereby amended as follows:

4. Contingency on Lease or Cooperative Agreement for Development of Service Area. The County Contribution will be contingent upon the Akron-Canton Airport Authority Board of Trustees ("Airport"), which currently owns the land consisting of the Service Area, leasing the land to the DFA for development for a term of 99 years, or, in the alternative, upon the Airport and the DFA entering into a Cooperative Agreement or similar arrangement, that, to the satisfaction of the County Executive, provides for the future development of the Service Area. County will not be responsible to deposit the County Contribution with the DFA unless and until this contingency is satisfied. Any costs incurred by the City for construction of the Project prior to satisfaction of the contingency will be at the sole risk of the City.

All other provisions of the Term Sheet not modified above shall remain in force.
