7 **A Resolution declaring the failure of the force main from the Tinkers Creek Pump Station**
8 **#4, located in the City of Hudson, in Council District 3, an emergency pursuant to Section**
9 **177.07(a)(3) of the Codified Ordinances of the County of Summit, and authorizing the**
10 **Executive, subject to the approval of the Board of Control, to execute a purchase contract**
11 **with Allen Drain Service for emergency hauling of wastewater, in an amount not to exceed**
12 **\$70,875.00, for the Executive’s Department of Sanitary Sewer Services, and declaring an**
13 **emergency.**

14
15 WHEREAS, force main failures beginning on April 19, 2022, from Tinkers Creek Pump
16 Station #4, located in the City of Hudson, in Council District 3, which resulted from breaks in the
17 pipe that runs through Tinkers Creek and adjacent wetlands, have necessitated the use of Allen
18 Drain Service for emergency hauling of wastewater; and

19
20 WHEREAS, the Ohio Environmental Protection Agency (“OEPA”) required the County
21 to haul the wastewater from the station to the Portage County Streetsboro Treatment Plant until
22 the pipe is repaired. As the County does not have enough tank trucks to haul that volume of
23 wastewater, Allen Drain Service was contacted and verified they had three trucks and drivers
24 that could work the necessary shifts. This contract work is required to meet OEPA requirements
25 and eliminate any additional overflow to this area; and

26
27 WHEREAS, the purchase contract with Allen Drain Service for the emergency hauling of
28 wastewater, in an amount not to exceed \$70,875.00, will be presented for approval to the Board
29 of Control, at its meeting held May 25, 2022; and

30
31 WHEREAS, this Council finds and determines, after reviewing all pertinent information,
32 that the aforementioned force main failures constitute an emergency under Section 177.07(a)(3)
33 of the Codified Ordinances of the County of Summit and this Council further finds and
34 determines that it is necessary and in the best interest of the County of Summit to authorize the
35 Executive, subject to the approval of the Board of Control, to execute said purchase contract with
36 Allen Drain Service for emergency hauling of wastewater;

37
38 NOW, THEREFORE, BE IT RESOLVED by the Council of the County of Summit, State
39 of Ohio, that;

40
41 SECTION 1

42
43 This Council finds and determines that the multiple failures to the force main from the

45 emergency pursuant to Section 177.07(a)(3) of the Codified Ordinances of the County of
46 Summit.
