G. The City and the County have each determined to enter into this Agreement to assist the St. Luke Affiliates in refinancing the costs of hospital facilities located in the City and the County.

The City and the County agree as follows:

Section 1. Definitions. The following terms are defined terms in this agreement:

“Act” means Chapter 140, Ohio Revised Code.

“Project” means the real and personal property owned by the St. Luke Affiliates the costs of which are being refinanced with the Series 2012 Bonds.

“Series 2012 Bonds” means the City’s Healthcare Facilities Revenue Refunding Bonds, Series 2012 issued to finance the Project, as described in Section 4.

Section 2. Public Purpose. The City and the County are entering into this Agreement to promote the public purpose of the Act by better providing for the health and welfare of the people of Ohio, the City, and the County by enhancing the availability, efficiency, and economy of hospital facilities and the services rendered by those hospital facilities, and facilitating the financing of hospital facilities to be available to or for the service of the general public without discrimination by reason of race, creed, color, or national origin. Those hospital facilities include the Project.

Section 3. Hospital Facilities. The City and the County will cooperate in financing the costs of hospital facilities constituting the Project to facilitate the acquisition, construction, equipping, and furnishing of the Project. The following are the provisions relating to those hospitals facilities:

(a) The title to the Project will be held by the applicable St. Luke Affiliate. The Project will be leased to the City and will be subleased back to the St. Luke Affiliates.

(b) The sublease will constitute a lease under Section 140.05, Revised Code, and will provide the method by which the Project will be managed, occupied, maintained, and repaired.

(c) The programs and activities to be conducted at the Project will be managed and administered by the applicable St. Luke Affiliate.

(d) The County will have no obligation to provide any money to pay costs of the Project Purposes or any other costs under this Agreement.
Section 4. Issuance of Obligations. The City will issue its Series 2012 Bonds, in one or more series, to pay the costs of hospital facilities in connection with the Project owned by St. Luke Portage Lakes located within the geographical boundaries in the County, and to pay costs of other hospital facilities owned by the other St. Luke Affiliates located within the geographical boundaries of the City.

The Series 2012 Bonds will not constitute a debt, or a pledge of faith and credit of the State of Ohio, the City, the County, or any other Ohio political subdivision. The holders of the Series 2012 Bonds do not have the right to have taxes levied by the City, the General Assembly of Ohio, the County, or the taxing authority of any other Ohio political subdivision for the payment of principal, interest, and any premium on the Series 2012 Bonds. Each Series 2012 Bond must contain on its face a statement to that effect, and that the Series 2012 Bonds are payable solely from the hospital receipts and the other sources pledged to their payment in the indenture securing the Series 2012 Bonds.

The County has no obligation, other than those set forth in this agreement, with respect to the Series 2012 Bonds, the Project, or the St. Luke Affiliates. The County is not required to make a contribution with respect to the financing.

Section 5. Indemnification. The St. Luke Affiliates releases the County and the City from, agrees that the County and the City shall not be liable for, and agree to indemnify the County and the City against, all liabilities, claims, costs and expenses imposed upon or asserted against the County or the City on account of: (a) any loss or damage to property, or injury to or death of any person, that may be occasioned by any cause whatsoever pertaining to the maintenance, operation and use of the Project; (b) any breach or default on the part of the St. Luke Affiliates in the performance of any covenant or agreement of the St. Luke Affiliates under any documents or instruments related to the issuance of the Series 2012 Bonds, or arising from any act or failure to act by any St. Luke Affiliate or any agents, contractors, servants, employees, or licensees of a St. Luke Affiliate or arising from any accident, injury, or damage whatsoever caused to any person, firm, or corporation occurring in or about the Project; (c) the authorization, issuance, and sale of the Series 2012 Bonds; and (d) any such claim, action, or proceeding brought thereon.

In case any action or proceeding is brought against the County or the City in respect of which indemnity may be sought hereunder, the party seeking indemnity shall promptly give notice of any such action or proceeding to the St. Luke Affiliates. The St. Luke Affiliates, upon such notice, covenants to and shall have the obligation and the right to assume the defense of the action or proceeding; provided that failure of such party to give such notice shall not relieve the St. Luke Affiliates from any of its obligations under this Section unless such failure prejudices the defense of such action or proceeding by the St. Luke Affiliates, and then only to the extent of such prejudice. Upon receipt of notice from such party seeking indemnification, the St. Luke Affiliates shall resist and defend such action or proceeding at expense of the St. Luke Affiliates. Counsel for defense must be reasonably satisfactory to County or the City, as applicable. At its own expense, an indemnified party may employ separate counsel and participate in the defense.
If the St. Luke Affiliates shall not have employed counsel to have charge of the defense of the action, claim, or proceeding, or if an indemnified party shall have concluded reasonably that there may be a defense available to it or to any other indemnified party which is different from or in addition to those available to the St. Luke Affiliates or to any other indemnified party or if an indemnified party shall have reasonably concluded that counsel representing other indemnified parties cannot fairly represent such indemnified party because of a conflict of interest, (i) the St. Luke Affiliates shall not have the right to direct the defense of the action, claim, or proceeding on behalf of that indemnified party and (ii) legal and other expenses incurred by the indemnified party (including without limitation, to the extent permitted by law, reasonable attorney's fees and expenses) shall be borne by the St. Luke Affiliates.

The indemnification provided by this Section shall include their respective officials, officers, directors, and employees of the County and the City. Such indemnification is intended to and shall be enforceable by the County and the City to the full extent permitted by law.
