RESOLUTION NO. 2014-333

SPONSOR Mr. Pry, Mr. Kostandaras and Council of the Whole

DATE August 18, 2014 COMMITTEE Public Works

A Resolution authorizing the County Executive to execute a sanitary sewer service agreement with the City of Twinsburg, in which the County shall purchase 650,000 gallons per day capacity in Twinsburg’s waste water treatment plant, for an amount not to exceed $1,900,000.00; send sanitary sewer flow from the Reminderville Service Area to Twinsburg for treatment and disposal; proportionately participate in capital projects in Twinsburg’s waste water treatment plant; and shall quarterly pay Twinsburg’s flat residential sewer rate multiplied by a factor of 1.5 for each single family equivalent in the Reminderville Service Area, for a term of 25 years, in Council District 1, for the Executive’s Department of Environmental Services, and declaring an emergency.

WHEREAS, the Village of Reminderville (“Reminderville”) is located within the Summit County Metropolitan Sewer District and the County currently provides sanitary sewer service to the Village of Reminderville through its Waste Water Treatment Plant No. 29 (“WWTP No. 29”); and

WHEREAS, WWTP No. 29 is a relatively expensive plant to operate and maintain compared to the County’s other large waste water treatment plants; and

WHEREAS, WWTP No. 29 is aging, and there are further residential developments expected in its service area that will require substantial capital improvements to expand the plant, keep it operational and in compliance with Ohio Environmental Protection Agency (“EPA”) requirements; and

WHEREAS, the Executive’s Department of Environmental Services (“DOES”) has determined that it is more cost effective to abandon WWTP No. 29 and connect the area serviced by WWTP No. 29 to Twinsburg’s sanitary sewer system for treatment and disposal; and

WHEREAS, Twinsburg is willing to sell capacity in its waste water treatment plant to the County, and thereby treat and dispose of sanitary sewer wastes from WWTP No. 29’s service area located in and around the Reminderville; and

WHEREAS, this Council finds and determines, after reviewing all pertinent information, that authorizing the County Executive to execute the Reminderville Sanitary Sewer Service Agreement between Twinsburg and the County, substantially in the form attached to this Resolution as Exhibit A, is necessary and in the best interest of the County of Summit;

NOW, THEREFORE, BE IT RESOLVED by the Council of the County of Summit, State of Ohio, that;
