6 DATE September 10, 2018 COMMITTEE Human Services

7  
8 **A Resolution to express opposition to proposed changes in federal regulations governing**  
9 **the Title X National Family Planning Program and to express support for access to**  
10 **comprehensive family planning and related preventive health services for all individuals,**  
11 **regardless of income or resources, for the Executive and Council, and declaring an**  
12 **emergency.**

13 WHEREAS, Title X of the Public Health Service Act (42 U.S.C. 300 et seq.) was enacted  
14 in 1970 to provide funds and ensure access to comprehensive family planning and related  
15 preventive health services for low-income or uninsured individuals, among others; and

16  
17 WHEREAS, the Title X program helps to ensure that every person – regardless of where  
18 they live, how much money they make, what their background is, or whether or not they have  
19 health insurance – has access to basic, preventative reproductive health care, such as birth  
20 control, cancer screenings, STD testing and treatment, and annual health exams; and

21  
22 WHEREAS, in the Akron area, Title X family planning providers served approximately  
23 7,700 family planning patients in 2017, providing 3,267 pregnancy tests, 2,675 HIV tests, 724  
24 cancer screenings, and 17,065 sexually transmitted infection tests and treatment; and

25  
26 WHEREAS, The United States Secretary of Health and Human Services issued a Notice  
27 of Proposed Rulemaking on June 1, 2018, that is designed to make it impossible for millions of  
28 patients to get birth control and preventative care from some Title X funded family planning  
29 providers because those providers provide the full spectrum of legal family planning services,  
30 and counsel patients about those services; and

31  
32 WHEREAS, The Kaiser Family Foundation has stated that efforts to block family  
33 planning providers from receiving Title X funds because they provide the full spectrum of legal  
34 family planning services, and counsel patients about them, could reduce low-income women's  
35 and teenagers' access to contraceptives and health screenings; and

36  
37 WHEREAS, this Council finds and determines, after reviewing all pertinent information,  
38 that it is necessary and in the best interest of the County to oppose proposed changes in federal  
39 regulations governing the Title X National Family Planning Program and to express support for  
40 access to comprehensive family planning and related preventive health services for all  
41 individuals, regardless of income or resources.

42  
43 NOW, THEREFORE, BE IT RESOLVED, by the Council of the County of Summit,  
44 State of Ohio, that:
