To the Summit County Executive and the Summit County Fiscal Officer:

I am writing to inform you of an expected agreement between United American Capital Corporation ("UACC") and Meeder Investment Management ("Meeder") whereby Meeder will acquire UACC's operational assets. Please note that this agreement will not affect the investment management responsibilities set forth in the Professional Services Agreement ("Agreement"), including Exhibit A, Scope of Services, effective January 1, 2017, between the County of Summit ("County") and UACC. My responsibilities as President will continue, and UACC's professional staff will continue to provide investment advisory services to the County, as defined in the Agreement.

Under the Investment Advisers Act of 1940, the transaction between UACC and Meeder will result in the "assignment" of your Agreement with UACC. Pursuant to Section 9: General of the Agreement, "Neither party may assign rights or delegate any obligations created by this Agreement without the prior written consent of the other party"

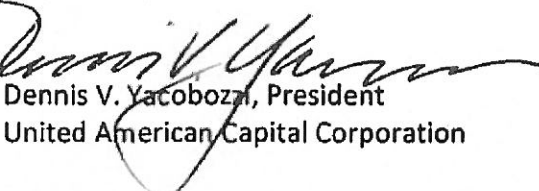

Please indicate your consent to the assignment of the Agreement to Meeder Public Funds, Inc. -- Meeder's SEC registered investment advisor subsidiary -- by signing and returning this letter to my attention. We look forward to continuing as your investment advisor.
