NOTE: The ROLLBACK column added to this certificate represents the recently passed state budget, beginning with tax year 2013 the ten and two and one-half percent rollbacks will no longer apply to new levies that are enacted after the August 2013 election. These non-qualifying levies include additional levies, the increase portion of renewal with increase levies, and the full effective millage of replacement levies. Levies that will continue to qualify for application of the rollbacks are levies approved at or before the August 2013 election, inside and charter millage as they appear on the 2013 tax list, renewals of qualified levies, and the substitute of qualified school district emergency levies under ORC 5705.199. In this Rollback column the Y indicates the levy qualifies for the 10% and 2 1/2% rollback. The N indicates the levy does not qualify for the 10% and 2 1/2% rollback.
